

GSCC UNIFORM INFORMATION

The following extract is taken from the GSCC diary and is provided to allow parents and students to be aware of the uniform expectations. This will hopefully avoid any unsuitable purchases or haircuts before students begin their education at Good Samaritan Catholic College.

Students will begin the year in summer uniform but as the weather is very unpredictable will need to have purchased the College jumper and tracksuit as well as the other summer uniform items. The blazer and other winter uniform items do not need to be purchased until the winter season approaches. Please note that students require predominantly white sport shoes as part of the sports uniform.
