Dear Parents,

Welcome back to Term 2. Last Friday morning Mr Maguire (our groundsman) in a very moving address, told students and teachers the story of the ANZAC landing at Gallipoli. Mr Maguire is quite inspirational as he has experienced war and death first-hand as a member of the Third Battalion of the Royal Australian Regiment which fought in Korea. The following is a brief extract from his speech:

ANZAC Day is a National Day of Remembrance, where we gather to remember all those who have served this nation in all conflicts, including the present conflicts overseas.

In conflicts men are transported by the SPIRIT, into a devoted band where they grow together. How they relate to one another, and behave in a moment of crisis between “life and death”, “victory and defeat”, is formed by a resolution to stick together and not let your mates down, no matter what.

Nothing shall diminish the “Glory of ANZAC”, nor should it.

War is not a game. War is horrific and should not be seen as a game. Veterans march and wear their decorations not for themselves but for their mates who are no longer here and are left in foreign lands.

I leave you with a poem I heard many years ago:

When you go home, tell them of us.
We who lie in foreign lands.
And say “for your tomorrow, we gave up our today”.
Please keep our flame alive.

Words cannot express our appreciation to Mr Maguire and his fellow-soldiers. Their heroic actions have ensured that we enjoy the peace, freedom and quality of life that we experience in this wonderful country. We are very fortunate to have Mr Maguire as a member of our College community.

Last week members of our Executive commenced interviews with parents and students who have applied for enrolment for their sons and daughters at Good Samaritan College for 2012. Meeting new parents is always a pleasant experience and it has been tremendously reassuring to continually hear such positive comments about the good name our College has in the community. Many of the parents express the desire that their sons and daughters will be as happy as they perceive our students to be. My experience has been that when students have a strong friendship group, and are happy to come to school, they will involve themselves fully in the life of the College and are motivated to succeed at their schoolwork. A reminder that the final date for submitting enrolment applications is May 31st.

I mentioned in our last newsletter that this year we are developing initiatives to address the needs of our gifted students, and we will be commencing this with Year 7 students in the next couple of weeks. The other group we are particularly targeting this year is our ESL students (English as a Second Language). We are in the process of identifying the level of support required for individual students, and their needs will hopefully be addressed by their classroom teachers with the support of Mrs Kennedy (who is coordinating ESL). This support is invaluable as it enhances students’ literacy skills which should lead to improved academic performance.

I thank parents for your support in ensuring that your son’s/daughter’s have returned to school in the
correct uniform. Students are looking good in their winter uniform but I have concerns about the way some of them are wearing their sports’ uniform. Students have been told that they must wear their tracksuit top, not their jumper, with their tracksuit pants. As the weather becomes colder, students can wear their jumpers underneath their tracksuit tops and take their jumpers off first (so that their jumpers cannot be seen). From next week we will not be allowing students to leave the school for sport unless they are wearing their sports uniform correctly. I would appreciate your support on this matter as I know you agree that it is important that students present well in the community. They can best do this by their behaviour and the way they wear their uniform.

Ms J Donovan
Principal

Assistant Principal

Winter Uniform
All students are expected to travel to and from school in their College Blazers. Boys are to wear their ties to and from school with their ties and top buttons done up.

As the weather becomes colder students are able to wear the College scarf which can be purchased from the uniform shop for $10.00. This is the only scarf which can be worn.

Cyber Safety
Last term we hosted a cyber safety evening which was presented by one of the education officers from ACMA, the Australian Communications and Media Authority. Included with this Newsletter is ACMA’s Cyber Smart Guide for Families. This guide provides a wealth of information and advice to families as we work to provide young people with the wonderful learning tools which ICT has to offer and at the same time make sure that they understand the responsibilities and potential hazards associated with ICT. Please take the time to read through this booklet and discuss relevant sections of it with your sons and daughters. Should you have any queries or concerns about Cyber Safety please do not hesitate to contact us here at the College.

Mr P Scollard
Assistant Principal

Assistant Principal

Year 12 Parent-Teacher-Student Interviews
Parent / Teacher / Student interviews for Year 12 will be held on Wednesday, 18th May from 3.30pm – 7.30pm. It is a college expectation that each student and a parent / carer attend these interviews. The Semester One reports will be available for collection from the college office on the afternoon / evening of the interview. These interviews are opportunities to meet specific teachers and to discuss student progress in each of their courses. Students are required to be in full school uniform for the interviews.

Drive to Survive Program
Liverpool Catholic Club has, once again, generously agreed to support the involvement of all Year 11 students in the Drive to Survive program during second term. The program is conducted by Ian Luff Motivation Australia and it involves students participating in a two hour course that focuses on significant practical aspects of driver awareness and safety. Over one thousand students from seven local secondary colleges are participating in this driver education program. Further details about the program and attendance arrangements will be conveyed to parents in a letter. I take this opportunity to acknowledge and thank the Liverpool Catholic Club for their generous involvement with the program and for their continuing support of the college in so many ways.

Parenting Corner

A big Thank You to Mr Bell for his words of wisdom and guidance last term, which I’m sure you appreciated. Now it’s my turn.

What has impressed me most during the past few weeks has been the PARTICIPATION and COMMITMENT of our students in various ways. A number were involved in our Easter ceremonies at Good Shepherd Parish and no doubt at other parishes elsewhere. At Good Shepherd, we had girls and boys in the choir, who had made a commitment to attend rehearsals for the six weeks prior to Easter. PHOENIX VAIOTU from Year 11 began our Easter Vigil service with his beautiful singing of the EXULTET. Others acted as readers and altar servers, as did some of our ex-students. Then on Good Friday a number took roles in the re-enactment of the Stations of the Cross at Holy Spirit Parish with our Year 12 student, DANIEL CASSONE taking the part of Jesus, which he did with such focus and prayerful poignancy that it reduced myself and many others to tears.

At our first two assemblies this term for Easter and Anzac Day one could “ hear a pin drop” as they listened attentively to the speakers and readings.

So congratulations to you as Parents. You should be proud of your adolescents, who live in a world surrounded by noise and not too much PRAYER and SILENCE.

May I encourage your adolescents wherever possible to join our Parish Youth Groups and become INVOLVED. Belonging to these groups contributes a lot to CHARACTER TRAINING and GOOD HEALTHY FRIENDSHIPS. The old adage that the family that prays together stays together certainly rings true. I have observed that most of our school leaders come from Mass-going families.

A special word of THANKS to ALL THE MOTHERS as we
celebrate Mothers Day this Sunday. May you be BLESSED for all your LOVE and NURTURING every day of your life at great cost to yourself. I really do admire YOUR COMMITMENT.

God Bless

Sr Marj

P.S. I will be away until the end of the month. My Order has granted me a Music Study Tour to Prague to celebrate the composer Gustav Mahler; other composers are also featured. I am most grateful for this wonderful gift. Please pray for a safe journey!

A blessing and prayer tribute to all mothers

"Blessed be all mothers
Who have come into our lives
Whose kindness, care and loving
Remain with us to guide.

Your inspiration in us
Made us strive in every way
Especially to remember
Helping others makes our day.

Mothers, this little tribute
Flows directly from my heart
You are so loved and cherished
Invaluable, one and all, you are.

Business Manager

COLLEGE SCHOOL FEES TERM 2

Term 2 school fees have been sent home with students this week. These fees may be paid by BPay, cash, cheque, credit card, or EFTPOS. Families unable to meet fee payment schedules should contact the Principal or the Business Manager in advance to discuss alternative payment arrangements.

Mr J Archer
Business Manager

Congratulations to Brian Camilleri in Yr 12 on his recent success at the National Clay Target Shooting. Brian won a Silver and Bronze medal. Well done Brian!!

YEAR COORDINATOR’S FORTNIGHTLY AWARD

Congratulations to the following students

Yr 7  Zahra Huynh
Yr 8  Joanne Zervas
Yr 9  Luisa Roccisano
Yr 10 Anna Ngo
Yr 11 Jessica Testa
Yr 12 Brian Camilleri

Curriculum Coordinator

Gifted Education Focus

Catherine Ong joined the College staff this week to work on the Gifted Education program for 2011.

The students at the College who are in the extended learning groups already work with a teaching and learning model that allows for lessons to be delivered with faster pace and increased complexity. Catherine will work collaboratively with staff to differentiate programs for the extended learning group. She will also work with teachers and students to provide enrichment programs and extension activities. Our strategic intent is to initially work on developing teaching programs and skills with the teachers of 7.1, with a view to developing this across all extended groups in each academic year. Gifted students across all year groups will continue to experience co-curricular and extra-curricular enrichment opportunities.

As part of this initiative the whole College staff will undergo a period of professional learning to facilitate a whole staff understanding of Gifted Education identification, programming approaches that support gifted learners, and teaching strategies to engage gifted students. This work will be conducted in partnership with Bronwyn MacLeod from Gateways Education who is a researcher and practitioner in Gifted Education at the University of New South Wales.

Examination Blocks Year 7 – 11

The Half Yearly examinations allow students to demonstrate the knowledge skills and understanding gained in each course during semester one. As we approach this examination blocks for Year 7 – 11 I encourage all parents to support their sons and daughters in preparation for each of the exams. For each subject students will receive an exam notification sheet that outlines the nature of the exam questions and the content that will be examined in the exam. Students are encouraged to utilise the study skills that they have been working on in PC lessons and the online study module to support their study of the relevant content required for each exam. The College would ask that parents support their sons /daughters in completing a comprehensive study program every night in the lead up to these exams. All of the College staff would like to wish all students best wishes for these forthcoming examinations.

Mrs R Jarvis
Curriculum Coordinator
Year 12 Advanced English Excursion

‘As you like it’ is a superb modern interpretation of a classic Shakespearean romantic comedy that has captured and enraptured a new generation of theatre enthusiasts.

Rosalind and Orlando, star crossed lovers, her wrapped in the clutches of her uncle within her banished father’s court and him controlled by an overbearing brother, find themselves exiled from their homes. As they become intertwined with the eccentric, melancholy and hilarious, relationships are formed, restored and altered. Set in the Forest of Arden, a utopia for those who find themselves outcast and abandoned, the play reveals multifaceted characters endeavouring to find their place in life. Without revealing too much, the play ends as most romantic comedies do, with much love, good cheer and of course a song and dance...or two.

Senior Advanced English students were fortunate, on Thursday 28th of April, to experience the great playwright’s comedic masterpiece as adapted by the Siren Theatre Company at Carriage Works theatre in Redfern. The cast and crew put on an absolutely marvellous performance adding their own personal touches to this classic Shakespearean play. With the addition of colourful costumes, atmospheric lighting, vivacious music and skilled, interactive actors and actresses, the masterpiece came alive on stage, capturing the imagination of the audience.

The stage was appropriately set with the relative size of the theatre; open and atmospheric. The mood set by well-placed lights which morphed shadows into vivid trees, the unexpectedly, impressive musical adaptation with the vocal talents of Ali Hughes as a ‘narrator’ guiding the audience by singing songs and Poems about the scenes proved insightful and beautiful. The presence of a transparent veil which cloaked half the stage, allowed for the audience to view the event behind it as the performers watched the event ‘through the audience’; A new and innovative experience that both challenged and involved us. Married with the ingenious use of props such as lights that could be found at Bunning’s, boxes with wheels and coat hangers moulded into hanging tree filled with romantic poems prove a creative feat in capturing the imagination of young and old alike, while maintaining the humorous and dramatic atmospheres to successfully sway, humour – and swoon us at times!

The stellar star studded crew at Siren Co. Theatre Company will have you rolling in stiches at the very well composed comedic devices that bloom Shakespeare’s suggestive and lewd sense of humour to the trained ear and the rich eye. However the play remains quite suitable for the whole family to enjoy, as a myriad of frivolities suit every taste and humour with a fresh mix of slapstick, subtle innuendo and general silliness that make this play an absolute delight to watch. Capricious cross-dressing, women playing men playing sheep, and all sorts of love stories highlight this as a magnificent emergence of the very first ‘romantic comedy’.

Forget about clowns in funny costumes, the Victorian style fools will have you bursting in your britches with laughter as the wonderful colourful modern-Victorian style costumes are the perfect intertwining of contemporary and timeless culture. The cast sported leather boots with petticoats and suits with top hats, while also occasionally donning a bathrobe or two, right up ‘till leather shoes and skinny leg jeans, bringing a youthful flavour to the meta temporal Shakespeare stock. The whimsical acts saw the use of the classical drama masks, the melancholy Jaques and Silvius to the eccentric Phoebe and questionable antics of Audrey, donning masquerading mime face paint and red noses that pertain to their individual personalities, making this play easy to follow and to laugh to.

Personally the play was quite the entertainer. In between the inappropriate subtle jokes and the jeers of the Shakespearean fool, the play was an absolute marvel to explore as the actors at Siren Co. improvised and added segments in the play, adding an even bigger reinforcement of the contemporary flavour of drama to a timeless classic. The music was superbly done, the acting was on target (with a few slip ups here and there) and is it a play that the whole family can tag along to and to have a good laugh at some of the best of the English culture? Sure, sounds pretty good to me. ‘As You Like It’ by the Siren Co. Theatre company is a must watch production that is an essential viewing for any lover of literature, someone needing a good laugh and definitely anyone wanting to glean just a little bit more out of their HSC prescribed text.

**Congratulations** to Vianna Nguyen of Year 10 for reaching the semi finals of The Moran Arts Foundation Schools Photographic Prize. The theme for the competition was for students to represent “Contemporary Life in Australia” with an emphasis on Australians going about their day-to-day lives within their environment. The four photographs that Vianna entered all reached the semi finals. Shown below is one of Vianna’s works. Well done Vianna!
From the IT Coordinator

* Year 9 Laptops
Students in Year 9 received a laptop under the Government Laptop Scheme on Wednesday evening. These laptops have been configured with the tools and resources required to integrate technology effectively into class lessons. I remind all students who have been issued with a school-based laptop, that it is a requirement that they bring the laptop to school every day.

* Effective use of school-based laptops
As you may know, the College newsletter features a section from the 'Study Skills Handbook' to provide students with great ideas to help them with their studies. In this edition, we have outlined a section regarding the effective use of laptops:

STUDY SKILLS TIP FOR MAY: CARING FOR YOUR NOTEBOOK COMPUTER

Have you been working on improving your study skills this year? Working through the units on Study Skills Handbook site www.studyskillshandbook.com.au will help you learn techniques to complete your work for school more effectively and improve your academic results, helping you move towards your personal best at school and beyond.

There are also a number of additional units on the site looking at technology: how you can use technology to help you study, useful iPhone Apps, and ways to manage and organize your files. There is also a section on physical care of your computer, and how to make it last as long as possible.

The following are some of the tips from this section.

⇒ FOOD AND DRINK: Food and drink don’t go well with computer screens and keyboards. Keep drinks especially well clear.

⇒ CASES: Notebooks don’t bounce, so keep them in their protective cases/covers and don’t use them on unstable surfaces.

⇒ BAGS: If you have your notebook in a bag or backpack be conscious of their fragility and breakability. Don’t throw your bag around, drop it or place things on top of it if your notebook is inside.

⇒ HEAT: Don’t leave a notebook in a car for too long, especially on a hot day. Notebooks don’t like extremes of weather temperature.

⇒ PETS: Be aware that pets may like to chew through power supply cables.

⇒ TRIPPING: When you are using your power supply, be aware of trip hazards. The cables inside the power supply are also easily broken so even though it may look as though it is OK, it could stop working.

⇒ DUST: Avoid dusty or smoky environments. Don’t store the laptop somewhere dusty (like under your bed) as the air filters can get blocked.

⇒ AIR VENTS: Work out where the air vents are on your computer. Make sure you don’t block the vents when the computer is on or it may overheat.

⇒ STORMS: You should always unplug the computer from the power outlet during a lightning storm. Otherwise your data may get fried!

Mr J Reyes
IT Coordinator
Year 11 Textile and Industrial Technology - Timber Projects

Year 11 Industrial Technology – Timber and Textile Students have recently completed their first practical project.

The Textiles students made a sewing kit. They incorporated different sewing skills such as an invisible zipper, piping and embroidery. They used different fabrics to create some good designs.

The students in Industrial Technology made clocks. They used lamination and basic joint construction techniques to produce the face and frame of their clocks. Some of the timbers that were used in the lamination are merbau, radiate pine, blue gum, and ash. They worked in groups to simulate mass production.

Both classes have produced some fine examples of precision and craftsmanship, and have set a high standard for the future students.

All of the student projects are on Display in the library this week.

Mr S Katalinic
Assistant TAS Coordinator

Australian Defence Forces- Defence Technical Scholarship

Congratulations to our three students Matthew McElhone, Dean Smith and Tony Puglisi who have all been awarded the Defence Technical Scholarship in recognition of their commitment to Defence Technical Trades. The scholarship consists of $3000 for Year 12 students and $2000 for Year 11 students as well as the opportunity to participate in the Defence Experience Tour of a range of Armed Forces Bases around the country. All three boys wrote outstanding essay applications and are to be commended on their initiative in completing the detailed application process.

Mrs J Hewitt
Careers Adviser

Italian Proverb of the Week

To celebrate the royal wedding we have a marriage proverb.

"Ne di Venere Ne di Marte non si sposa ne si partel" -

Neither marriage nor war will go away once you start.

Good Shepherd Sunday is the 4th Sunday of Easter and it occurs on May 15th this year. Good Shepherd Parish intend to celebrate the Feast-day together with members of the Good Shepherd Primary School Community in the 10am Mass in the school’s new hall on that day. The new hall will provide seating for over 600, about double the capacity of the Church. A school choir will join the Parish Family Choir for that Mass. Everyone in the Parish is invited to take part. There will still be the other 2 Masses on Saturday and Sunday at 5.30pm that weekend. The Parish need a working bee on Saturday morning (14th May) to set up chairs, decorate the Hall and prepare the alter.

In remembrance of our fallen soldiers.
Lest we forget
